

97th Congress
2nd Session

A BILL

To amend subchapter II of chapter 53 of title 5, United States Code, by revising the annual rates of basic pay for the Director of Central Intelligence and for the Deputy Director of Central Intelligence.

1 Be it enacted by the Senate and House of Representatives of the United
2 States of America in Congress assembled, That section 5312 of title 5, United
3 States Code, is amended by adding at the end thereof "Director of Central
4 Intelligence.".

5 Section 2. Section 5313 of title 5, United States Code, is amended by
6 inserting the word "Deputy" immediately before the words "Director of
7 Central Intelligence.".

8 Section 3. Section 5314 of title 5, United States Code, is amended by
9 striking "Deputy Director of Central Intelligence.".

SECTIONAL ANALYSIS AND EXPLANATION

Section 1: Section 5312 of title 5, United States Code, currently lists fourteen positions which have an annual rate of basic pay at level I of the Executive Schedule. This amendment would add the Director of Central Intelligence to the list.

Section 2: Section 5313 of title 5, United States Code, sets forth those positions which have an annual rate of basic pay at level II of the Executive Schedule. The Director of Central Intelligence is presently included in this listing. The amendment would change the listed position of Director of Central Intelligence to Deputy Director of Central Intelligence.

Section 3: Given the addition of the Deputy Director of Central Intelligence to the Executive Schedule level II positions listed in Section 5313, it becomes necessary to amend Section 5314 of title 5, United States Code, to strike the Deputy Director of Central Intelligence from the positions listed as receiving an annual rate of basic pay at level III of the Executive Schedule.

COST ESTIMATE

Section 1: This section would result in a cost of \$8,967.50 per annum, representing the current difference between the annual rate of basic pay payable for positions listed at level I of the Executive Schedule and those listed at level II.

Section 2: This section would result in a presumptive cost of \$1,162.50 per annum, representing the current difference between the annual rate of basic pay payable for positions listed at level II of the Executive Schedule and those listed at level III. Because the incumbent Deputy Director of Central Intelligence is a commissioned officer of the armed services, however, the provisions of subsection 102(b)(2) of the National Security Act of 1947 (50 U.S.C. 403 (b)(2)) are applicable with respect to his receipt of military pay and allowances. Thus, the Deputy Director would receive additional compensation as a result of the amendment to 5 U.S.C. 5313 only to the extent to which the annual rate of basic pay payable for positions listed at level II of the Executive Schedule exceeds the amount of his annual military pay and allowances.

Section 3: Cost estimate is not applicable.
